**Decided on:** 23<sup>rd</sup> October 2020

**Arjuna Obeyesekere, J**

When this matter was taken up for argument on 6<sup>th</sup> August 2020, the learned Counsel for all parties moved that this Court pronounce its judgment on the written submissions that have already been filed by the parties.

The Petitioner is a limited liability Company incorporated under the provisions of the Companies Act No. 7 of 2007. The Petitioner states that it is the owner of a condominium property situated in Milagiriya, Colombo 4. The said property comprises of eight residential units, together with common elements, and is depicted in Condominium Plan No. 1563 dated 18<sup>th</sup> December 1973, marked '**P3**' which Plan the Petitioner states has been registered in the Register of the 1<sup>st</sup> Respondent maintained at the Land Registry, Colombo.<sup>1</sup>

The above residential units bear assessment Nos. 9, 11, 15, 9 1/1, 9 1/2, 9 1/3, 9 1/4 and 9 1/5, Ransivi Lane, Colombo 4. The dispute that has given rise to this application relates to Unit No. 2 bearing assessment No. 11. The Petitioner states it purchased Unit No. 2 of the said Condominium property in 2009 from Ram Naraindas Mirchandani.<sup>2</sup> The 5<sup>th</sup> Respondent had been the tenant of the said Unit, until she passed away in October 2016. The 5A and 5B Respondents, who are her sons, have been substituted in place of the 5<sup>th</sup> Respondent. Any reference to the 5<sup>th</sup> Respondent, where relevant, shall include a reference to the 5A and 5B Respondents, as well.

The Petitioner states that it came to know in September 2011 that the 5<sup>th</sup> Respondent and the tenant in premises bearing assessment No. 9, Mrs. T. Kanapathipillai, had constructed a shed in the common area at the front of the building, causing obstruction of the common parking area and thereby blocking access to the building. The Petitioner had accordingly submitted a complaint dated 25<sup>th</sup> October 2011, marked '**P5**' to the 1<sup>st</sup> Respondent, the Condominium Management Authority, by which the Petitioner informed the 1<sup>st</sup> Respondent *inter alia* as follows:

---

<sup>1</sup> See Declaration made under Section 5(1) of the Apartment Ownership Law No. 11 of 1973, annexed to the Counter Affidavit of the Petitioner marked 'X'.

<sup>2</sup> Vide Deed of Transfer No. 9680, marked 'P4'.

*“All the apartments were given on rent, and the tenants were not vacating. After we transferred the building to the name of our company Happy Homes Ltd, we managed to clear six apartments of its tenants by negotiations.*

*The last two tenants who are not vacating and living in apartments number 9 and 11 have built (a) shed in the common area at the front of the building making it an inconvenience for us to access the rest of the building. Also, it is blocking the common parking.”*

Acting on the said complaint ‘P5’, the 4<sup>th</sup> Respondent had conducted a field inspection of the said Condominium property. By his report dated 15<sup>th</sup> November 2011 marked ‘P6’, the 4<sup>th</sup> Respondent had informed the 2<sup>nd</sup> Respondent, the General Manager of the 1<sup>st</sup> Respondent of the following:

“අංක 9 රන්සිව් පටුමග, කොළඹ - 03 හි අනවසර ඉදිකිරීම සම්බන්ධව

ඉහත සඳහන් ස්ථානයේ කලමනාකරන සංස්ථාවේ ලේකම් විසින් එහි අංක 09 හා 11 යන නිවෙස්වල පදිංචි කුලී නිවැසියන් විසින් නිවෙස් ඉදිරි පස පොදු අංගෝපාංග අවහිර වන සේ අනවසර ඉදිකිරීම් සිදුකර ඇති බව දන්වා එවා ඇත.

මේ පිලිබඳ මා විසින් ක්ෂේත්‍ර පරීක්ෂනයක් සිදු කළෙමි. එහිදී පහත සඳහන් අනවසර ඉදිකිරීම් නිරීක්ෂණය විය.

1. අංක 09 හි කුලී නිවැසියා විසින් 10’-0”-12’-0” ක් පමණ දිග පළල ඇති ගරාජයක් ඉදිකර තිබීම.
2. අංක 11 හි අයිතිකරු විසින් පොදු අංගෝපාංග අවහිර වන සේ ගස් සිටුවා වගාල ප්‍රමාණයේ මල්පෝච්චි, කුරුළු කුඩු සහ මාළු ටැංකි තබා ඇත.
3. බාහිර පුද්ගලයෙක් විසින් අංක 09 ට යාබදව මුළුතැන් ගෙයක් ඉදිකර ඇත.

ඉහත සඳහන් සියළුම ඉදිකිරීම් සහාධිපත්‍ය පිඹුරු අංක 1563ට අනුව පොදු අංගෝපාංග අවහිර වන සේ සිදුකර ඇති බවද වැඩිදුරටත් දන්වා සිටින අතර අවශ්‍ය කටයුතු සඳහා ඉදිරිපත් කරමි.”

Section 27 of the Condominium Management Authority Law No. 10 of 1973, as amended<sup>3</sup> (the Act) defines an ‘unauthorised construction’ as follows:

<sup>3</sup> See Section 3 of the Common Amenities (Amendment) Act No. 24 of 2003, by which the name of the principal enactment, the Common Amenities Law was amended to read as the ‘Condominium Management Authority Law’.

*“ ‘unauthorized construction’ means any improvement or alteration to the condominium parcel or ancillary parcel appurtenant to such condominium parcel, any improvement or alteration to the common elements, any parceling or subdivision of the land parcel where the condominium property or semi condominium property is constructed, the erection or re-erection of sub-structures and the construction of works on the land parcel, or any change in the use for which land parcel or any building or any structure thereof is used, without a valid permit from the authority who have been empowered by law to approve the building plan, or contrary to any term or condition set out in the permit issued in respect of the building plan approved for the relevant Condominium Property or Semi Condominium Property.”*

Thus, it is clear that the 5<sup>th</sup> Respondent has engaged in an *unauthorised construction* by placing obstructions in the common elements and thereby has changed the use of the common elements and altered the common elements of the said Condominium Property. For convenience, I shall refer to such obstructions as an *unauthorised construction*.

Section 9A of the Act sets out the procedure that should be followed with regard to a complaint such as ‘P5’. Section 9A(1) reads as follows:

*“Where the Authority receives a complaint or receives information that an unauthorized construction has been erected or is being erected in any registered or unregistered Condominium Property or Semi Condominium Property, the Authority shall cause a notice in writing to be served on the owner of the condominium parcel and a copy of such notice to be served on each occupier of such condominium parcel and the management corporation if any, who is erecting or has erected such unauthorized construction in the condominium parcel, or the common element and direct such owner, occupier or management corporation, as the case may be, to be present at an inquiry on a date, time and place, to be specified in the notice and to show cause –*

(a) *why the Authority should not prohibit such person from proceeding with the construction ;*

*(b) why the unauthorized construction should not be demolished and the Condominium Parcel restored to its original condition.”*

In terms of Section 9A(2), *“The persons present at the inquiry in pursuant to the receipt of a notice issued under subsection (1), shall be given an opportunity of being heard ...”.*

Thus, the person who has engaged in an unauthorised construction must be afforded an opportunity of explaining his/her position, in the manner set out in Section 9A of the Act.

By a notice dated 23<sup>rd</sup> November 2011 marked ‘**P7**’, the 2<sup>nd</sup> Respondent had forwarded a copy of the complaint to the 5<sup>th</sup> Respondent, and requested her to show cause by 7<sup>th</sup> December 2011 *as to why the complainant’s application should not be considered.* As the 5<sup>th</sup> Respondent had not responded, the Assistant General Manager (Legal) of the 1<sup>st</sup> Respondent, by a letter dated 19<sup>th</sup> December 2011 marked ‘**P8**’ had requested the 5<sup>th</sup> Respondent to be present for a discussion on 11<sup>th</sup> January 2012. The 5<sup>th</sup> Respondent had also been informed that *‘this discussion will be conducted by the Inquiring officer who is appointed by the Condominium Management Authority to inquire into this matter. If you fail to be present for this discussion, steps will be taken to proceed with the ex-parte inquiry and order will be issued on the available facts.’*

Although the Inquiry had been held on 11<sup>th</sup> January 2012, the 5<sup>th</sup> Respondent had not been present. The minutes of the inquiry marked ‘**P8x**’ maintained by the 1<sup>st</sup> Respondent, discloses the following:

**“පසුව මෙම පැමිණිල්ලේ පිටපතක් සභාධිපතය කළමනාකරණ අධිකාරිය විසින් ඉහත කී වගඋත්තරකරුවන්ට පැමිණිල්ලේ පිටපතක් 2011.11.23 දරණ ලිපිය මගින් යවා අදාළ පැමිණිල්ලේ සඳහන් කරුණුවලට උත්තර සපයන ලෙස දන්වා ඇත. ලිපිගොනුව අනුව පෙනී යන්නේ එම වගඋත්තරකරුවන් විසින් සභාධිපතය කළමනාකරණ අධිකාරිය දැන්වූ පරිදි ඊට කිසිම ප්‍රතිචාරයක් දක්වා නැති බවය. පසුව සභාධිපතය කළමනාකරණ අධිකාරිය විසින් පැමිණිලිකරු සහ වගඋත්තරකරුවන් සභාධිපතය කළමනාකරණ අධිකාරියේ 2011.12.19 දින දරණ නොතිසිය මගින් පාර්ශවකරුවන් අද දින පරීක්ෂණයට කැඳවා ඇත. නමුත් අද දින මෙම පරීක්ෂණයට පැමිණි ඇත්තේ පැමිණිලිකරු කළමනාකරණ සංස්ථාවේ ලේකම් පමණි. වගඋත්තරකරුවන් මෙම පරීක්ෂණයට අද දින නොපැමිණෙන බවට කිසිම දැනුම් දීමක් හෝ ඔවුන් වෙනුවෙන් නිතිඥ නියෝජනයක් ද නැත.”**

The Inquiry Officer had thereafter directed that fresh notices be served on the 5<sup>th</sup> Respondent, and re-fixed the inquiry for 30<sup>th</sup> January 2012.

The 2<sup>nd</sup> Respondent had thereafter sent the following letter dated 20<sup>th</sup> January 2012 marked 'P9' to the 5<sup>th</sup> Respondent:

“සභාධිපතය දේපලක පොදු ඉඩමේ අනවසර ඉදිකිරීම

ඉහත කරුණ මැයෙන් සභාධිපතය කළමනාකරණ අධිකාරිය විසින් ඔබ වෙත එවන ලද 2011/12/19 දරණ ලිපිය හා බැඳේ.

එබැවින් නැවතත් මෙම පරීක්ෂණයට පැමිණෙන ලෙස ඔබට අවධාරණය කරමි.”

The 5<sup>th</sup> Respondent had not been present at the inquiry scheduled for 30<sup>th</sup> January 2012, in spite of 'P9' having been sent to her. As a result, the inquiry had been postponed once again to 28<sup>th</sup> February 2012. Even though the 5<sup>th</sup> Respondent had not been present on 28<sup>th</sup> February 2012 as well, the inquiry had finally been taken up on that date, as borne out by the minutes of the inquiry marked 'P10'.

In his evidence, Harin Mirchandani, a director of the Petitioner had stated as follows:

“ඉහත පොදු ඉඩමේ ඇති අනවසර ඉදිකිරීම් ඉවත් කරන ලෙස එම කුලී නිවැසියන්ට දැනුම් දුන් නමුත් ඔවුන් මා හට විරුද්ධව පොලීසියට පැමිණිල්ලක් කරන ලදී. ඊට හේතු මා ඔවුන්ට නිරිතර කරන නිසා බව ඔවුන් විසින් ප්‍රකාශ කර ඇත. මෙම පොදු ඉඩම අවහිර වීම නිසා දැනට උද්ගත වී ඇති අපහසුතා පහත සඳහන් පරිදි සඳහන් කරමි.

මෙම ගොඩනැගිල්ලේ අනෙකුත් නිවාස වලට එනම් පහත මාලයේ ඇති නිවසකට සහ උඩුමහල් වලට පදිංචි අයට මෙම පොදු ඉඩම පාවිච්චි කිරීමට කිසිම හැකියාවක් නැත. මෙම කරුණ මත ඉහත නිවාස 06 දැනට නිස්ව පවතී. ඒවා වෙනත් අයට කුලියට දීමට පවා නොහැකි වී ඇත. එසේම අයිතිකරුවන්ටද මෙහි පදිංචි වීමට හැකියාවක් නැත. වාහන ගාල් කිරීමට පොදු ඉඩමේ ඉඩකඩ නැත. මේ නිසා මෙම දේපළෙහි කිසිම ප්‍රයෝජනයක් ගැනීමට නොහැකි තත්වක් උදාවී ඇත. එය විශාල අලාභයක් වී ඇත. ඒ නිසා මා ඉල්ලා සිටින්නේ මෙම පොදු ඉඩමෙහි ඇති සියළුම අනවසර ඉදි කිරීම් සහ අවහිරතා ඉවත් කරන ලෙසය.”

Together with its Statement of Objections, the 1<sup>st</sup> Respondent has produced marked ‘2AR1’, the report of the Inquiry Officer dated 29<sup>th</sup> May 2012. After referring to the facts relating to the application of the Petitioner, and the documents that had been examined, the Inquiry Officer had held as follows in ‘2AR1’:

Section 9A(2) sets out the steps that the 1<sup>st</sup> Respondent can take at the end of the Inquiry that is conducted in terms of Section 9A. The relevant parts of Section 9A(2) are re-produced below:

*“ ....where the Authority is of the opinion that such construction is an unauthorized construction, it may direct, such owner or occupier or management corporation or other person, as the case may be:*

- (a) not to proceed with such unauthorized construction; or*
- (b) to restore the condominium parcel or an accessory parcel appurtenant to the condominium parcel or common element to its original condition; or*
- (c) to take such other measures for the purpose of compliance with the conditions set out in the permit subject to which the Condominium Property or Semi Condominium Property has been constructed.”*

By letter dated 5<sup>th</sup> June 2012 marked 'P11', the 2<sup>nd</sup> Respondent had informed the 5<sup>th</sup> Respondent as follows:

*“It was revealed at the inquiry that you being the tenant of No. 11, Ransivi Lane, Colombo 4 have placed pots, bird cages, and fish tanks in the Common area (front) which has resulted in blocking of Common area and access to the other apartments of the Condominium building.*

*Therefore you are hereby directed to remove the said obstructions within 14 days of receipt of this letter.*

*If you do not do so the Management Corporation is entitled to remove the said obstructions of the Common elements and recover all expenses incurred by the Management Corporation. ”*

The Petitioner has produced marked 'P12' a letter dated 17<sup>th</sup> June 2012 written by the 5<sup>th</sup> Respondent and Ms. T. Kanapathipillai. The title of the said letter is a reference to 'P11', thus confirming that the 5<sup>th</sup> Respondent received the Order of the 1<sup>st</sup> Respondent. Other than for stating that, '*we are not blocking any common area and access to any other property*', the 5<sup>th</sup> Respondent has not taken any steps to challenge the findings of the 1<sup>st</sup> Respondent.

I must state that the 1<sup>st</sup> Respondent has scrupulously followed the procedure laid down in the Act and afforded the 5<sup>th</sup> Respondent several opportunities of explaining her position. Furthermore, the 4<sup>th</sup> Respondent as well as the Inquiry Officer have examined the Site and seen for themselves the factual circumstances relating to the complaint of the Petitioner, and thereby satisfied themselves of the authenticity of the complaint.

By letter dated 18<sup>th</sup> November 2014 marked 'P13', the Secretary, Management Corporation had informed the 1<sup>st</sup> Respondent that the 5<sup>th</sup> Respondent has not taken any steps to comply with the said Order communicated to her by 'P12', and moved that the 1<sup>st</sup> Respondent take action as a period of 2 ½ years have lapsed since 'P11' was issued. Upon the failure by the 1<sup>st</sup> Respondent to take any further steps, the Petitioner filed this application, seeking *inter alia* the following relief:

- a) A Writ of Mandamus directing the 1<sup>st</sup> Respondent to take steps in terms of Section 9A of the Act;
- b) A Writ of Mandamus directing the 1<sup>st</sup> Respondent to remove and/or demolish the unauthorised construction carried out by the 5<sup>th</sup> Respondent.

I shall consider at the outset the matters that must be satisfied by a party seeking a Writ of Mandamus. The Supreme Court in **Ratnayake and Others vs C.D.Perera and others**<sup>4</sup> held that:

---

<sup>4</sup> [1982] 2 Sri LR 451.

*“The general rule of Mandamus is that its function is to compel a public authority to do its duty. The essence of Mandamus is that it is a command issued by the superior Court for the performance of public legal duty. Where officials have a public duty to perform and have refused to perform, Mandamus will lie to secure the performance of the public duty, in the performance of which the applicant has sufficient legal interest. It is only granted to compel the performance of duties of a public nature, and not merely of private character that is to say for the enforcement of a mere private right, stemming from a contract of the parties.”*

The above position has been reiterated in **Jayawardena vs. People’s Bank**<sup>5</sup> where it was held that:

*“Courts will always be ready and willing to apply the constitutional remedy of mandamus in the appropriate case. The appropriate case must necessarily be a situation where there is a public duty. In the absence of a public duty an intrusion by this Court by way of mandamus into an area where remedial measures are available in private law would be to redefine the availability of a prerogative writ.”*

In **Rajeswari Nadaraja v. M. Najeeb Abdul Majeed, Minister of Industries and Commerce and Others**<sup>6</sup> Aluwihare, J held that, *“In an application for a writ of mandamus, the first matter to be settled is whether or not the officer or authority in question has in law and in fact the power which he or she refused to exercise. As a question of law, it is one of interpreting the empowering statutory provisions. As a question of fact, it must be shown that the factual situation envisaged by the empowering statute in reality exists.”*

Thus, while the public authority must be under a legal or public duty to carry out the act which a petitioner demands, the petitioner must have a legal right to the performance of such public duty. In **Kaluarachchi vs Ceylon Petroleum Corporation and Others**,<sup>7</sup> Fernando J, referring to the judgment in **Credit Information Bureau of**

<sup>6</sup> SC Appeal No. 177/15; SC Minutes of 31<sup>st</sup> August 2018.

<sup>7</sup> SC Appeal No. 43/2013; SC Minutes of 19<sup>th</sup> June 2019.

Sri Lanka vs M/s Jafferjee and Jafferjee (Pvt) Limited<sup>8</sup> reiterated that, “the foundation of mandamus is the existence of a legal right. A court should not grant a Writ of Mandamus to enforce a right which is not legal and not based upon a public duty.”

The principle relief that is sought by the Petitioner is for the 1<sup>st</sup> Respondent to remove the obstructions of the Common elements that the 1<sup>st</sup> Respondent has satisfied itself, exists – vide the Inspection Report marked ‘**P6**’, and the report of the Inquiry Officer – vide ‘**2AR1**’.

I shall first consider whether the 1<sup>st</sup> Respondent has the power to demolish unauthorised constructions. In terms of Section 5 of the Act, the objects of the 1<sup>st</sup> Respondent shall *inter alia* be to:

- “(a) Control, manage, maintain and administer the condominium parcels, the common elements and the common amenities of the Condominium Property or Semi Condominium Property;
- (d) Remove all such unauthorized constructions erected or carried out by the respective owners or occupiers of such condominium parcels or by any person, contrary to the registered condominium plan of the Condominium Property or the registered Semi Condominium Plan of the Semi Condominium Property.”

Section 6 of the Act sets out the powers of the 1<sup>st</sup> Respondent. In terms of Section 6(j):

“For the proper carrying out of its objects the Authority shall exercise any one or more of the following powers:

- (j) enter, either by itself or by its duly-authorized agents, at all reasonable times, any condominium parcel ..... for the purpose of removing or demolishing unauthorized constructions of the Condominium Property or Semi Condominium Property ....”

---

<sup>8</sup> [2005] 1 Sri LR 89.

Thus, it is clear that the removal of unauthorised constructions is an object of the 1<sup>st</sup> Respondent, and that the legislature has empowered the 1<sup>st</sup> Respondent to achieve such object by conferring the 1<sup>st</sup> Respondent with the power to do so, by way of Section 6(j). This position is fortified by the provisions of Section 9A(3), which reads as follows:

*(3) Where such owner or occupier or management corporation or other person, as the case may be:*

*(a) fails to be present at the inquiry; or*

*(b) after being present at such inquiry refuses to comply with any direction issued under subsection (2) within seven days from the date of issue of such direction,*

***the Authority shall-***

*(i) take appropriate measures to demolish such unauthorised construction;*

*(ii) direct the discontinuance of the use of the land parcel or building;*

*(iii) do all such other acts as the owner or occupier or other person was required to do by such directive under subsection (2)."*

Thus, it is clear to me that:

(a) The 1<sup>st</sup> Respondent has a public duty to demolish unauthorised constructions if the person to whom the direction has been given does not comply with such direction;

(b) All that the Petitioner is seeking is for the 1<sup>st</sup> Respondent to exercise its statutory powers and its public duty, and implement the Order 'P11' that it has made.

Does the Petitioner have a legal right to the performance of the said legal duty? It is not in dispute that Condominium Properties have common elements, which are available for use by all residents of the said Condominium Property, without any obstruction.<sup>9</sup> That is a legal right that every owner and occupier of a condominium property has been bestowed with. Thus, whenever any owner or occupier of a unit in such Condominium Property, or for that matter, even the Management Corporation of such Condominium Property obstructs the common elements, the other owners as well as the Management Corporation, as the case may be, have a legal right to have those obstructions to the common elements removed. The detailed procedure in the Act which I have already discussed has been provided by the legislature to address this legal right.

It is in the above background that I must consider the position of the 5<sup>th</sup> Respondent with regard to the unauthorised constructions that she is said to have carried out. In paragraph 8 of his first affidavit, the 5A Respondent has stated that, *'there is no such construction done by me causing any kind of obstruction to any other occupants of the condominium property mentioned in the petition.'* If that be so, the 5<sup>th</sup> Respondent ought to have responded to the several notices sent by the 1<sup>st</sup> Respondent and satisfied the Inquiry Officer that the complaint of the Petitioner is baseless.

I have already referred to the several steps that were taken by the 1<sup>st</sup> Respondent to ensure the presence of the 5<sup>th</sup> Respondent, and to the fact that she did not respond to any of the letters sent to her. Paragraphs 14 – 22B and 26 of the petition contains the steps that were taken by the 1<sup>st</sup> Respondent pursuant to the complaint of the Petitioner. The response of the 5A Respondent to the said paragraphs is a complete denial– vide paragraph 9 of the affidavit of the 5A Respondent supporting the averments in his Statement of Objections. In other words, the 5A Respondent has denied that the 5<sup>th</sup> Respondent received the correspondence that the 1<sup>st</sup> Respondent sent, including the receipt of '**P11**', perhaps forgetting the fact that the 5<sup>th</sup> Respondent had replied '**P11**' by letter marked '**P12**'.

---

<sup>9</sup> The definition of 'common element' in Section 26 of the Apartment Ownership Law would apply under the Condominium Management Authority Act – vide Section 27 of the latter Act.

However, by a further affidavit filed thereafter, the 5A Respondent has tendered letters dated 11<sup>th</sup> November 2011, 25<sup>th</sup> November 2011, 2<sup>nd</sup> December 2011, 8<sup>th</sup> January 2012 and 27<sup>th</sup> January 2012 marked 'R5e' – 'R5i', respectively. The dates of these letters coincide with some of the letters that were sent by the 1<sup>st</sup> Respondent to the 5<sup>th</sup> Respondent, although the contents are more or less the same. Thus, after denying the receipt of the said letters in his first affidavit, the 5A Respondent has changed his position, and *admitted* that the 5<sup>th</sup> Respondent received the letters sent by the 1<sup>st</sup> Respondent.

However, given the fact that the Inquiry Officer has recorded that the 5<sup>th</sup> Respondent has not responded to the letters sent by the 1<sup>st</sup> Respondent – vide 'P8', 'P8X', 'P9' and 'P10' - I find it difficult to accept the position of the 5A Respondent that the 5<sup>th</sup> Respondent sent the letters marked 'R5e' – 'R5i'. The result is that the 5<sup>th</sup> Respondent as well as the 5A Respondent have lost credibility in the eyes of this Court. Be that as it may, even if the position in the further affidavit is accepted, it is clear that the 5<sup>th</sup> Respondent had avoided participating at the inquiry, and thereby deprived herself of the opportunity afforded to her by the 1<sup>st</sup> Respondent of placing her side of the story.

Even then, the 5A Respondent could have filed at least with his Statement of Objections, any material including photographs to demonstrate that the 5<sup>th</sup> Respondent has not erected any unauthorised structures, nor obstructed the common elements and that the Inspection Report and the observations of the Inquiry Officer in '2AR1', are not factually correct. None of this has been done. In my view, this is critical as the 1<sup>st</sup> Respondent's decision to proceed with an inquiry was based on the Site Inspection that was carried out by its Assistant General Manager. Thus, I have no reason to doubt the findings of fact arrived at by the 1<sup>st</sup> Respondent. I am therefore satisfied that *the factual situation envisaged by the empowering statute exists in reality* and that the Petitioner is entitled to a Writ of Mandamus directing the 1<sup>st</sup> Respondent to demolish all unauthorised structures obstructing the common elements of the said Condominium Property.

I shall now consider the several explanations offered by the 1<sup>st</sup> Respondent as to why it did not act at the request of the Petitioner and implement its order, in order to decide if I should proceed to issue the Writ of Mandamus prayed for.

The first is that the Order 'P11' has been made in June 2012, and that since a significant period had lapsed by the time the request was made by the Petitioner in November 2014, it was felt that it would not be prudent to implement its Order. In other words, the 1<sup>st</sup> Respondent is claiming that there has been a delay in filing this application, and for that reason, the writ should be refused. In paragraph 28 of its petition, the Petitioner has stated that it did make representations to the 1<sup>st</sup> Respondent to implement its Order, a position which has been denied by the 1<sup>st</sup> Respondent.

In my mind, the fact that the Petitioner did not seek the implementation of the Order earlier than November 2014 is immaterial, for the reason that the violation is continuing. What is important is that the 1<sup>st</sup> Respondent has held that the common elements have been obstructed by the 5<sup>th</sup> Respondent in a manner that is contrary to the Condominium Plan relating to the said premises. If the said obstructions still exist, which can be ascertained by a site inspection, then, I am of the view that the 1<sup>st</sup> Respondent must take steps to implement the provisions of the Act. As already observed, demolition of unauthorised constructions is one of the objects of the 1<sup>st</sup> Respondent, and the legislature has empowered the 1<sup>st</sup> Respondent to remove any obstructions to the common elements.

The second ground adduced by the 1<sup>st</sup> Respondent not to implement its Order is the underlying tenancy dispute between the Petitioner and the 5<sup>th</sup> Respondent. Although the 5A Respondent had not uttered a single word in his affidavit about this dispute, he has done so in his subsequent affidavit.

In his first complaint to the 1<sup>st</sup> Respondent marked 'P5', the Petitioner referred to the fact that the 5<sup>th</sup> Respondent is a tenant, and that the 5<sup>th</sup> Respondent is not vacating the said premises. 'P5' was sent by the 1<sup>st</sup> Respondent to the 5<sup>th</sup> Respondent by letter 'P7', but the 5<sup>th</sup> Respondent did not respond. In July 2014, the Petitioner had filed Case No. 15/14 DRE in the District Court, Colombo against the 5<sup>th</sup> Respondent, seeking to eject the 5<sup>th</sup> Respondent from the premises that are the subject matter of this application.<sup>10</sup> I have examined the plaint which has been produced with the second affidavit of the 5A Respondent marked 'R5a', and observe

---

<sup>10</sup> The 5<sup>th</sup> Respondent has been substituted by the 5A and 5B Respondents in the District Court.

that the unit in question has been rented out to the 5<sup>th</sup> Respondent by the Petitioner's predecessor in title, and that the 5<sup>th</sup> Respondent has not attorned to the Petitioner, which has resulted in action being filed in the District Court to eject the 5<sup>th</sup> Respondent from the said unit. What is important to note is that the premises that have been given on rent to the 5<sup>th</sup> Respondent is Unit No. 2. An owner cannot give on rent or lease common elements of a Condominium Property. The complaint of the Petitioner to the 1<sup>st</sup> Respondent was with regard to an obstruction by the 5<sup>th</sup> Respondent of a common element, which fact has subsequently been confirmed by the Inspection Report of the 1<sup>st</sup> Respondent, and the site inspection of the Inquiry Officer. Thus, it is clear that the Petitioner is not seeking to interfere with the tenancy rights of the 5<sup>th</sup> Respondent by complaining to the 1<sup>st</sup> Respondent. Thus, I am of the view that the underlying dispute between the Petitioner and the 5<sup>th</sup> Respondent is not an impediment to the 1<sup>st</sup> Respondent implementing its Order.

It would perhaps be appropriate to refer at this stage to the position taken up by the 5<sup>th</sup> Respondent in 'R5e' – 'R5i' that she is unaware of the ownership rights of the Petitioner to the said Unit, and the reluctance on the part of the 1<sup>st</sup> Respondent to implement its Order due to this reason.<sup>11</sup> Section 9A(1) does not require the complaint to be originated by the owner, and makes it clear that the 1<sup>st</sup> Respondent can act on *a complaint or information received by it of an unauthorized construction*. Thus, the fact that the Petitioner became the owner of the said unit while the 5<sup>th</sup> Respondent was the tenant and the fact that the 5<sup>th</sup> Respondent does not recognise the Petitioner as the owner is in my view immaterial to the 1<sup>st</sup> Respondent carrying out its statutory duty.

Prior to concluding, there are two other matters that I wish to advert to.

In its written submissions, the 1<sup>st</sup> Respondent has pointed out that the Management Corporation of the said Condominium Property has the power in terms of Section 20C(2)(f) of the Apartment Ownership Law No. 11 of 1973, as amended, to demolish unauthorised structures, and that the 1<sup>st</sup> Respondent can do so, as set out in 'P11'.<sup>12</sup>

---

<sup>11</sup> Vide paragraph 12(b) and (c) of the Statement of Objections of the 1<sup>st</sup> Respondent.

<sup>12</sup> Section 20C(2)(f) reads as follows: "The powers of the management corporation shall include the following – (f) to take every steps to prevent and to remove all unauthorized constructions effected to the Condominium Property or Semi Condominium Property in contrary to the approved building plan and to request or assist the

In other words, the 1<sup>st</sup> Respondent is stating that its assistance is not required to demolish the unauthorised structure. While there is no dispute that the Management Corporation has the power to do so, that does not take away the public duty that the 1<sup>st</sup> Respondent owes the Petitioner to take steps in terms of the Act. In fact, Section 20C(2)(f) specifically provides that the Management Corporation may seek the assistance of the 1<sup>st</sup> Respondent to remove the unauthorised constructions.

Furthermore, I must state that the factual circumstances of this application do not warrant the Management Corporation taking such steps. I say so for two reasons. The first is that the entire building is owned by the Petitioner. The second is that the Management Corporation is controlled by the Directors of the Petitioner. In the backdrop of the District Court case filed by the Petitioner to eject the 5<sup>th</sup> Respondent, I am of the view that this is not a fit situation where the Management Corporation must demolish the unauthorised structures in terms of Section 20C(2)(f) of the Apartment Ownership Law.

The second matter that I wish to advert to is the submission of the learned President's Counsel for the 5<sup>th</sup>, 5A and 5B Respondents that the Condominium Plan 'P3' has not been registered. He has referred to the Statement of Objections of the 1<sup>st</sup> Respondent to support his position. However, what the 1<sup>st</sup> Respondent has stated in paragraph 6 of its Statement of Objections is that 'P3' has not been approved by it as the 1<sup>st</sup> Respondent was not in existence in 1973. In fact, the registration of the Condominium Plan is a matter that has been considered by the Inquiry Officer, as borne out by the final paragraph in 'P10',<sup>13</sup> and paragraph Nos. 5(10) and (11) of '2AR1'.<sup>14</sup>

Thus, the issue of the registration of the Condominium Plan has been considered by the 1<sup>st</sup> Respondent, and:

- (a) In the absence of any retraction of that position by the 1<sup>st</sup> Respondent;
- (b) The failure by the 5<sup>th</sup>, 5A and 5B Respondents to support its position with any material,

I do not see any merit in the said submission of the 5<sup>th</sup>, 5A and 5B Respondents.

In the above circumstances, I issue a Writ of Mandamus directing the 1<sup>st</sup> Respondent to act in terms of Section 9A(3), and remove the obstructions placed in the common elements as referred to in 'P6', '2AR1' and 'P11'. I make no order with regard to costs.
